Frequently asked questions

QUESTIONS

ANSWERS

Is the cover manufactured in the USA?

No. Designed in Texas. Made in China

Does it come with a warranty or any guarantee?

Yes, 5 years. No hassle

Is the cover **HS-25** rated?

Yes. Tested and proven

Is the cover kept secure to the frame with a bolt or locking system?

Yes. 4 X 316 SS Bolts

How does the SuperCover™ SSO Series reduce sanitary sewer overflows?

It eliminates water going in and stops sewage water from gushing out

Since the cover is NON-Metallic can it be located?

Yes, by means of a 3M™ iD Marker

Does the unit prevent infiltration & exfiltration?

Yes, by means of gaskets and bolts
